News from the "Art Side"

...by Mrs. McCullers

This month the PK and VPK will continue to work on their "color books." Kindergarten will be finishing their "Grandma Moses" farm books and will be starting a "Tiffany Christmas project". First thru sixth grade will be working on a polar bear Christmas watercolor painting. Seventh and eighth grade will be finishing an acrylic painting of the ocean and begin work on their "Theodore Dragoneri painted shoes" project. Again, if you get a chance, come by and see your student's artwork displayed in the Art room and middle school hallways.
