

April Edenfield, High School

Mrs. April Edenfield grew up in Virginia and attended primary and secondary school in her hometown. Mrs. Edenfield enrolled, attended, and completed her undergraduate studies upon graduating from Osbourne Park High School in Manassas, Virginia. She earned degrees in Interdisciplinary Social Sciences and Philosophy/Religious Studies. She tackled this great accomplishment at James Madison University in Harrisonburg, Virginia. While at James Madison University, Mrs. Edenfield grew a deep passion for Asian studies, specifically China. Soon after graduating, she embarked on the journey of a lifetime to further her education in Shanghai, China. The focus of study for Mrs. Edenfield was a Master's degree in Chinese Society. After spending many exciting, enriching, and rewarding years in China, Mrs. Edenfield returned to earn yet another Master's degree in Biblical Studies from Reformed Theological Seminary in Orlando, Florida.

Throughout her travels, Mrs. Edenfield has been gifted the privilege of educating middle and high school students in the U.S. and China. Mrs. Edenfield joined the F.B.C.S. family in 2017, instructing middle school students in English Language Arts. She left for a brief amount of time and has since returned to educate our high schoolers in English Language Arts.

Mrs. Edenfield enjoys time with her husband and three children. They often cook foreign cuisine, bake decadent cultural desserts, and enjoy learning about the culture of other nations.
