

## Melanee McClure, STRIVE

Mrs. Melanee McClure was born and raised in Ashland, Kentucky. She graduated from Paul G. Blazer High School in her hometown and immediately applied for college. She was happily accepted to Morehead State University in Kentucky. While there, Mrs. McClure earned herself a Bachelor of Arts degree in Behavioral and Learning Disabilities. God called upon Melanee to provide hope, understanding, and success to students who could not seem to find it elsewhere. As she continued to assist struggling students, her passion grew. She was called to a position in Florida where her skills were desperately needed. Without hesitation, she made her way to the Sunshine State.

In the fall of 2017, Mrs. McClure's educational calling lead her to F.B.C.S. She currently directs multiple avenues and resources to support the educational needs of all students. Mrs. McClure provides intensive reading, mathematics, and language services. She can work with various students individually to provide them with the specific learning services needed to provide an appropriate and meaningful education for all.

Witnessing God's handwork firsthand during sunrises on the beach or through flower gardening is how Mrs. Melanee McClure spends her free time. Her husband, children, and grandchildren also give her a meaningful and joyful life.
