

Dana Parker, 3rd

Ft. Pierce became home for Dana Parker in 1983 when her family relocated from Abington, Pennsylvania. Mrs. Parker earned her high school diploma from Heritage Christian School. She enrolled in Heritage Bible College, where she excelled in Christian Education, thus achieving a Bachelor's of Science. Mrs. Parker is currently furthering her Christian education at Landmark Baptist Bible College. Her admiration and passion for children grew as she worked to embrace and progress the lives of her students. Dana Parker soon married and began a family of her own.

Mrs. Parker has established many years of service with children from preschool through primary school. These experiences included various settings, including the director of an early education facility, facilitator of multiple branches within the church, including the nursery, youth group, and choir. Within the formal school setting, Mrs. Parker has educated students from kindergarten through 3rd grade. She is currently F.B.C.S.'s talented 3rd-grade teacher. God spoke to her heart and drew her to this position for the 2020-2021 school, where she has remained.

As a mother of seven children and four grandchildren, Mrs. Parker cherishes her time spent with family. Baking cookies and crocheting with the girls or tossing a ball and telling jokes with the boys is where you can find Mrs. Parker in her spare time.
