

Caitlin Perez, 1<sup>st</sup>

South Florida has been home to Caitlin Perez for over 30 years. She attended primary school in Palm Beach County and completed her secondary academic career at South Fork High School. Mrs. Perez was confident in her passion to shape the academic lives of today's youth and immediately enrolled at Florida Atlantic University upon graduating high school. Mrs. Perez earned a Bachelor's Degree in Elementary Education, allowing her to pursue her dreams of advancing the future of the upcoming generations. She spent the first five years of her educational career serving students in the St. Lucie County Public School system.

In 2018, God led Caitlin Perez to First Baptist Christian School and strategically placed her in the 1st-grade educator's position. Here, she is enriching, encouraging, challenging, and empowering young minds with the knowledge of the Gospel and academic foundations. She also assists her colleagues in training, operating, and utilizing the various web and media-based systems to improve the technical aspect of teaching at F.B.C.S.

Mrs. Perez has been married for three years. She and her husband have one son, Joseph (1yr.). Worshipping through praise and music is a favorite pastime of hers, as well as whitewater rafting, being outdoors, and playing with her dogs.
