

Janice Casey, Reading Coach/Librarian

Growing up in the Northeast Kingdom of Vermont was wholesome, uplifting, and pure for Mrs. Janice Casey. It is here that Mrs. Casey would obtain her foundation of academics. After graduating from Housatonic Valley Regional High School, she became a part of the Berkshire Christian College family. Once enrolled, Mrs. Janice Casey met a young man named Michael Casey. God's divine purpose and timing would have these two marry, start a family, and become foundational leaders of a Christian school in faraway Stuart, Florida.

In 1976, young Mr. and Mrs. Casey had their hearts set on teaching, specifically 3rd grade and middle school children. It just so happens that F.B.C.S. had two positions available. Can you guess what they were? The young couple realized that God was calling them to F.B.C.S., and they decided to answer the call. The Casey's served students, parents, and faculty of F.B.C.S. for more than 30 years in various positions, from teachers to Headmaster.

Although she has retired, God called Mrs. Casey out of retirement to support, encourage, and guide the current students of F.B.C.S. in strengthening their literacy skills. Her dog Mickey D keeps her busy with walks, treats, and belly rubs.
