

Candice DeBerry, 2nd

After growing up in Abington, Pennsylvania, and attending primary school, Candice DeBerry's family moved to Ft. Pierce. Upon moving to the area, Mrs. DeBerry attended and graduated from Ft. Pierce Central High School. After high school, she followed her dreams of getting married and becoming a mother. Mrs. DeBerry quickly realized the joy and excitement she felt when she was able to guide and develop the minds of her youngsters through sensory exploration and trial and error experiences. This delight and enjoyment lead Mrs. DeBerry to enroll and later graduate from Heritage Baptist Bible College and Landmark Baptist College. Her tenure at these stellar educational facilities gained Mrs. DeBerry a Bachelor of Science degree in the area of Elementary Education.

For more than 20 years, Candice DeBerry has been instructing, molding, and growing the minds of young children. She has been blessed with the privilege to work academically with primary students of all ages and Fine Arts and Ministry teaching with secondary level students. In the fall of 2020, the Lord led Mrs. DeBerry to join the team at F.B.C.S. as the 2nd-grade educator.

The DeBerry's have been married for 34 years, being blessed with five children and nine grandchildren. The DeBerry's enjoy family gatherings filled with food, fun, and fellowship in their spare time.
